Vehicles to be parked will be defined as cars or light vans. No heavy commercial vehicles over 2.5 tonnes will be permitted.

Resident's car parking permits will only be obtainable from the Town Clerk, by telephoning for an appointment during office hours.

The cost and number of the permits will be reviewed annually by the Town Council's Finance and General Purposes Committee, and agreed by the Full Council .

Permits will be issued by the Town Clerk only and will have a fixed charge with no rebate. Each permit will last for a maximum of one year only, renewable the following April.
